Add funds with a credit card

English

Add funds with a credit card

To add funds to your **Organization budget** with a credit card, do the following in the **Unity Ads User Acquisition dashboard**:

1. From the secondary navigation panel, select **Finance**.
2. Use the **Budget** section to select **Add funds**.

 **Note:** You can also access the payment setup from the secondary navigation panel by selecting **Add** next to the **Budget remaining** amount.

1. In the **Payment** setup, select **Make a payment** as your payment type and then select **Next**.
2. Enter your billing address in the fields provided and select **Next**.
3. In the **Transfer Amount** field, enter how much to add to your Organization budget in USD and then select **Next**.

 **Note:** Don't add commas, periods, or dollar signs to this value. Write your dollar amount as a plain-text value. For example, enter \$5,000 as 5000 .

4. From the **Payment method** options, select **Credit card**.
5. Enter your credit card information in the fields provided. If you want to save your credit card information for future use, select the checkbox next to **Save my credit card**.
6. Select **confirm** to initiate the payment.
