Delete install bids

Do the following to delete an existing bid in your install campaign:

1. In your campaign settings, go to the **Countries & Bids** section.
 2. Select **Delete**.
 3. Select the checkbox next to each country whose bid you want to remove from your campaign.
You can also type a country in the search box to find specific countries.
 4. Select **Delete** to remove the chosen bids from your campaign. Affected bids display strikethrough font.
