

Live campaign management ■ Manage your campaign details

English

Manage your campaign details

Use the **Campaign details** section of your campaign settings to edit the name of your campaign.

This section of the campaign settings also lists your campaign goal and billing type. You choose both settings based on the campaign type you select in setup, and you can't edit the campaign goal or billing type in the campaign settings.

Change your campaign name

Use these instructions to edit the name of your campaign in your campaign settings.

1. In the **Campaign details** section, select the pencil edit icon next to the name of your campaign.
2. In the **Name** field, highlight the existing text and begin typing to replace it.
3. After typing your new name, select **Save** to keep your changes.
